

Step 7: You are now able to watch, listen and learn by videostreaming instruction.

Videostreaming Functions:

- 1 Polls:** Presenters may include polls in their presentations. Click to see polls available and simply fill out and press submit.
- 2 Ask:** Participants can email the facilitator directly with questions and comments. Clicking this will open your email client. Simply fill the body of the message and send as you normally would any email.
- 3 Navigation:** Allows you to manipulate the video, audio levels and toggle fullscreen playback.
- 4 Information:** Here you will find details about the presentation, the speaker and URL links to other web sites for further information. Clicking the up arrow allows you to view more details. Click the down arrow to return to normal view.
- 5 Slides:** The slides for the presentation. The tabs above allow you to change the layout of the slides and skip between slides.
